

Murlidhar Mohol

**Minister of State for Civil Aviation and Cooperation
Government of India**

Message

Hindi is the crown jewel among all Indian languages and the largest link language of the country. As the Official Language of India, its dignity and importance are of the highest order.

As citizens of India, it is our official responsibility to honor our Official Language and feel proud by making maximum use of it, promoting it, and contributing to its propagation.

This will not only help our Official Language gain a place of respect at the international level, but will also make a significant contribution to the overall development of the nation.

Since Hindi is the Official Language of the Union, it is the constitutional duty of all of us to follow government instructions related to the Official Language with the same commitment and seriousness as we follow other official directives.

Therefore, on the auspicious occasion of **Hindi Diwas, 2024**, let us resolve to make maximum use of the Official Language Hindi in our official work and discharge this official responsibility with complete dedication and commitment.

With heartfelt greetings and best wishes on **Hindi Diwas 2024**.

(Murlidhar Mohol)
Union Minister of State for Cooperation
Government of India
