Detailed Monthly information for the month of August, 2019

Important Policy decisions taken and major achievements during the month:

1. Ministry of Civil Aviation

- A. Passengers carried by domestic airlines during Jan-July, 2019 were **825.64 lakhs** as against **800.40 lakhs** during the corresponding period of previous year thereby registering annual growth of **3.15%** and monthly growth of **3.01%**
- B. Aviation Jobs:
Hon'ble MOS (I/C) Civil Aviation launched an "Aviation Jobs" portal (<http://aviationjobs.co.in>) on 29 August 2019. Given the regular creation of a number of aspirational jobs due to strong aviation sector growth in the last few years, a need was felt to provide a common web-based, user-friendly platform for job seekers to register their job interests across various civil aviation sub-sectors. At the same time, genuine companies/ prospective employers, who have completed their KYC under the Ministry of Corporate Affairs MCA-21 database, can register themselves on this portal to access the database of candidates. Candidates, from fresh and re-employment streams such as ex-employees of Jet Airways, will be able to seek job opportunities matching their profiles. Employers will be able to shortlist those suitable to serve their HR requirements as per their company policy through this online medium.
- C. Dashboard of Ministry of Civil Aviation:
The Dashboard was developed on 17 August 2019. It provides real-time data across a number of parameters on air transportation, including RCS-UDAN. It contains weekly, fortnightly and monthly updates on various other parameters, including photographic, numeric and textual depictions of status or progress made in airport development works projects.
- D. Bilateral talks were held between Govt. of Republic of India and Govt. of Poland on 14th August at New Delhi to discuss matters relating to Air Service Agreements and executed an MoU wherein Domestic Code Share arrangements have been agreed for the designated airline of each side to a total of not more than 10 points in the territory of the other party. Designated Airlines of Poland shall be entitled to operate domestic code share services to Ahmedabad, Cochin, Goa and Pune in addition to Mumbai, Delhi, Kolkata, Chennai, Bengaluru and Hyderabad.
- E. Bilateral talks were held between Govt. of Republic of India and the Royal Govt. of Bhutan to discuss matters relating to Civil Aviation on 26-27th August, 2019 at Thimpu. Both delegation finalized and initiated the text of Agreed minutes on Civil Aviation consultations with assurances of consideration by either sides to each other's requests. Delegation of Royal Govt. of Bhutan informed that Bhutan will fully support India's candidature to the ICAO Council.
